Descriptions of Activities:

SA060 Arrival

The students are greeted at the airport by their am Language Studio Group Instructor. He will give them the official welcome and hand over their welcome packs which also include their time tables and map. After he will lead them to their respective coaches which will head to either their hotel residence or else to the Ta' Xbiex meeting point where they will meet their host families.

SA021 Entrance to beach club afternoon *(from mid May until end of September)* **including Pool Night**

Students can spend the afternoon at the am Language Studio Beach Club. Here they can enjoy the sun, swim in the deep or opt to sit by the pool. Various amenities such as music, a bar and restaurant are available. Banana rides are also available but are optional and against payment. Students located more than 20 minutes walk away will be provided with transport.

SA062 Bowling

Show your skills on the lane! An hour's fun bowling at Malta's professional state-of-the-art alleys. The venue also has a snack bar, a games room and is fully air-conditioned.

SA265 BBQ Night

A BBQ night consisting of burgers, sausages, salad and drink.

SA096 Shopping

Students will be taken to the town centre where they will be able to shop around under the supervision of the local staff.

SA095 Bugibba or Sliema by Night

Students will enjoy a night out in town under the supervision of local group leaders.

SA020 Sandy beach coach transfer

Tour Starting @ 0930 and afternoon Tour starting @13.30 – please ensure that you are there 15mins before the departure time.

Every week students can visit various parts of the island when they go to some of Malta's typical sandy beaches. Here they can swim, sunbathe and snorkel (snorkeling equipment for rent when available). Students are also able to make use of the watersports centres found on location but services are optional and against payment.

SA017 Half Day Comino Tour *(weather permitting – from end April until end September)*

Afternoon tour starting @ 13.30 – please ensure that you are there 15mins before the departure time.

Private transport will be made available at the meeting point to transfer the group to the Northern port of Marfa. This trip will take approx. 40 minutes. Once at Marfa chartered speed boats will ferry the group to Comino. This fast and exciting crossing will take no longer than 10 minutes. Comino is Malta's third largest island and is virtually uninhabited but on the other hand very popular with day trippers. Although Comino has a Sandy beach, the attraction is definitely the crystal clear blue waters of the Blue Lagoon. Students have ample time to walk around the island. They can see the 17th century castle built by the Knight's of St. John to safe guard the island from pirates. During their stay the students may venture to other spots of the island. It is recommended to have good walking shoes. Sunblock, hats and caps are essential for this trip, and also water and snacks. Return at approximately 17.30 in Sliema.

SA059 Banana Ride

A fun 15 minute ride on a Banana Boat in the crystal clear waters of the Mediterranean. All water sports are covered by Insurance.

SA078 International Summer Disco evenings (FELTOM Parties) - 15th June -15th August

These Student Parties are organized in collaboration with other language schools and offers students the opportunity to interact in a non-alcoholic environment. The price includes transport, entrance and supervision.

SA093 ½ day Valletta Tour

Students will travel to Valletta using the traditional Maltese bus service. The morning tour will start @ 09.30 and the afternoon tour will start @ 13.30. Weather permitting, the students will return to Sliema by Ferry boat – please ensure that you are there 15 minutes before departure time.

The tour starts off in Sliema. Your tour Guide will meet you at the allotted meeting point. We will get to Valletta using private transport service. Once at the capital we will start with a brief explanation of Malta's recent history with Britain. The group then proceeds through the main streets of Valletta and is taken to see the views of the Grand Harbour from one of Valletta's most prominent gardens (Upper Baracca). From here the group can enjoy views of the 3 cities just across the harbour. The tour then proceeds through the streets of Valletta, passing by monuments and landmarks such as the Co-Cathedral of St. John and The Grandmasters' Palace and the students are informed throughout the tour about the Knights of St. John and their connection with Malta. The last stop in Valletta is The Malta Experience. After the show, your coach (or ferry) will take you to Sliema.

SA001 ½ day Rabat & Mdina tour

Guided bus tour, morning Tour starting @ 0930 and afternoon Tour Starting @13.30 – please do ensure that you are there 15 minutes before the departure time.

The guide will meet the group at the allotted meeting point. This excursion starts off with a visit to Malta's Crafts village and in particular the Glass Blowing factory. Next stop is Rabat, the site of many underground Catacombs. After a short walk through the narrow streets of Rabat the group is then escorted to the Citta Vecchia better known as Mdina. It is a real medieval town and the students can visualize for themselves how this ancient town has managed to survive throughout the ages. Also known as the Citta Notabile, Mdina also had close relations with the Knights of St. John. Free time is of the essence and a stop at the famous Fontanella coffee shop is recommended. Students can enjoy a refreshing drink and taste the shop's famous "Chocolate cake" at a reasonable cost. The Mdina bastions offer the visitor a spectacular view of the island. Once our visit to Mdina is over, the tour continues to the scenic Dingli Cliffs, the highest point of the island. After a few minutes of breath taking views your coach will take you back to Sliema.

Descriptions of Activities:

SA030 Splash and Fun Water Park *(from mid May until end of September)*

Malta's only water park consisting of Family Slides, space Bowl slide, Children Water Playground, Lazy River, Wave Pool, Entertainment area and sun deck area. An Animation team will entertain customers from 15th June until 15th September.

SA025 Town Walk + Welcome Party

A walking excursion of the town of Sliema going up to St. Julian's where the main landmarks and places of interest are pointed out. A Welcome Party at a safe and controlled venue for am Language Studio students who can dance to the music provided by the DJ.

SA072 Disco / Paceville Night

Students will be taken to a partner venue for a disco or karaoke night. This venue is suitable for under 16s as it is in a closed and controlled environment. No alcoholic drinks will be served.

SA028 Film @ amLS

A classic blockbuster film will be shown in the audio-visual room followed by an educational discussion.

SA097 Festa Evening

Malta is known for its many churches and the feasts (festas) the various parishes organize every year. Most of these feasts take place in the summer and every weekend different parishes host their own feasts in honour of their patron saint. Students will be taken to such a feast and will enjoy a cultural experience – fireworks, local delicacies, bands, and so on.

SA008 Harbour Cruise by Night

This is a relaxing evening boat trip which takes you around the Sliema and Valletta Harbours. The cruise starts and ends in Sliema. The boat ploughs along Manoel Island and eventually into our main port. The passengers enjoy scenes of the Three Cities, Birgu, Senglea and Cospicua. Once again the legacy of the Knight's of St. John can only be admired with buildings such as Fort St. Angelo, Fort St. Michael, Fort St. Elmo, Fort Ricasoli, Fortress Valletta and so much more. The Grand Harbour is one of the biggest natural Harbours in Europe and has played a key role in Malta's history throughout the ages and has many stories to tell. This cruise is a chance for the students to admire the beautiful bastions whilst learning about Maltese history in a relaxing environment.

SA061 Departure

The students are either picked up from their hotel residences or else from the Ta' Xbiex meeting point to which they would have been brought by their host family. From here they head off to the airport for their departure. The students leave 2 hrs before their flight time.
